Want to go to the Summit? Join us and attend the 2013 Jamboree!

The 2013 National Scout Jamboree scheduled for July 15-24, 2013, is that opportunity. This will be the first event at the BSA's new jamboree home, the Summit Bechtel Family National Scout Reserve, and the first year that Venturing youth can participate. The Denver Area Council has three Venturing Contingents going – there is still plenty of room!

It will be the most action-packed Scouting event ever, with mountain biking, paddleboarding, zip lines, canopy tours, rafting, kayaking, and much, much more. The 2013 Jamboree will also include all the things you love from previous jamborees - patch trading, scuba, etc.

Sign up today! You can learn more at www.bsajamboree.org, or find us on Facebook at facebook.com/TheBechtelSummit.

Venturing Officers Association needs youth!

The Venturing Officer's Association, or VOA, is a group of youth officers at Council level.

One of the VOA's purposes is to help council Venturing Advisors and professionals to get the prospective of the youth in the council. It allows the youth to develop leadership skills and gives the VOA Advisor and council professionals a resource to build the council's Venturing program. Previous or current leadership in a Venturing Crew or Sea Scout Ship is not required.

In the Denver Area Council, there are four VOA officer positions:

1. VOA President
2. VOA Vice President of Program
3. VOA Vice President of Administration
4. VOA Vice President of Communications (also known as secretary)

There is also a VOA Advisor and a Venturing Professional, both of who are already in place.

Send applications to:
Josh Atherton, Team Leader
10455 West 6th Avenue, Suite 100
Denver, CO 80215
(jatherton@denverboyscouts.org)

You can contact Scott Elzas, VOA Advisor, at 303-868-2774, or scott@elzas.net if you have any questions.

The Training Corner

With Tom Wyscaver

Trained leaders provide a quality Scouting program which helps keep youth interested and engaged in all that Scouting has to offer. Surveys have shown that units with 100% trained leadership are more likely to have quality programs and retain youth in their units. In order to recharter your crew or ship in 2012, **all Venturing Advisors and Ship Skippers** must have the proper training. In 2013, **all registered leaders** must have the proper training in order to recharter their crews/ships.
