ALPINE HIGH ADVENTURES

SO NOT YOUR MOTHER'S SUMMER CAMP EXPERENCE...

Looking for an adventure unlike anything you and your Scouts have done before? Well, look no further than ***Alpine High Adventures***; a backcountry trek guaranteed to thrill even the most seasoned outdoorsman. Located at Camp Tahosa, this program offers an alternative to Philmont that is easier to get into, closer to home, and half the price!

Experience this five day mountaineering adventure in the high country of Colorado, which departs from Camp Tahosa and takes you through the lakes and vistas of the Indian Peaks Wilderness Area. Scouts will be members of an 11-person team, learning and applying skills to conquer the strenuous challenges of the program in a dynamic mountain environment. Each trek is customized to meet the needs of your Scouts, ensuring a fun time for all!

ALPINE ADVENTURES HIGHLIGHTS

- **Team Building and Leadership skills** are applied to develop knowledge of the high country and mountain wilderness trekking.
- **The five day adventure** will encounter high passes and unspoiled scenery. You will camp at three different high country lakes, summit mountain peaks and learn about the Rocky Mountain wilderness.
- **Scouts** will increase their self-confidence and advance their outdoor skills while sharing their knowledge and enthusiasm with others.

ALPINE ADVENTURES ACTIVITIES

- **Low impact backpacking** - Modern methods of wilderness camping are practiced, reinforcing Leave No Trace principles.
- **Basic rock climbing** - Basic techniques of belaying, rappelling and rope handling skills will be taught. These skills will be put into practice at one of the remote wilderness campsites, supervised by our highly qualified staff.
- **Mountain Hiking** - The skills employed in mountain hiking bridge the gap between basic trail hiking and technical climbing. Route finding through valleys and high passes, under a variety of weather conditions, is a skill required for mountain travel.
- **Free time** - There will be ample opportunity for Scouts to engage in activities of their choice such as fishing, day hiking, wildlife watching and high peak ascending.
- The safety of each participant is of primary concern to the staff of the ***ALPINE ADVENTURES***. Certified instructors monitor each event, while group support encourages self-confidence, team work and positive self-image.
