District Award of Merit

This is the highest honor presented to a Scouter by the Gateway District. It is awarded to registered Scouters who have rendered outstanding service to the Scouting program in the Gateway District. The service must be considered noteworthy as a single plan, or decisions which contributed vitally to the lives of many youth, or it may have been service given to a small group over an extended period of time. The nominee must also have given service to his community outside Scouting. (Church, school, sports, charities). Consideration is given to the nominee's position, the opportunity to render outstanding service beyond expectations, attitude and cooperation with the district and council.
