Section Totem (if available)
BSA Symbol (fleur d'lis)

**Camp Patch or Camporee Patch**

Name of Event (Fall 2008 District Comporee)
Location of Event (Peaceful Valley)
Sponsor (District or Council Name)

Remember that all patches should be nine or fewer colors. The merrow (or outside border) does not count as one of the nine, and be any color(s). And don't forget the material, it can be an additional color if it is not stitched.

The outside border can be rolled (stitched) or die cut (unstitched).

No copyrighted material can be used without express permission of the owner. This includes sports teams, cartoon characters, etc.

All "approved" patches include the fleur d'lis. If not, it is not a BSA-approved patch (so a fake, spoof, etc.).
