Visit the Denver Area Council Special Needs website at <http://www.specialneedsbsa.org/>. That brings you to our **About Us** page, a good place to start. It provides links to the district [organization chart](#) and a [roster of contacts](#) with which you can locate a special needs liaison for your district. Links to the left provide specific information about:

◆ [Training](#). Find out about special needs awareness training, Special Needs Roundtables and other training services.

◆ [Calendar](#). Plan for special needs events throughout the year, such as Scout Show, University of Scouting, Fishing Derby and committee meetings.

◆ [General Resources](#). Here you'll find general information about special needs and Scouting and also, listings of agencies in the Denver area.

◆ [Resources by Disability](#). The resources on this page address specific physical, behavioral and developmental disabilities.

◆ [Accessible Trails Map](#). Here's an online map of Colorado sites and trails that are wheelchair accessible or usable by those who are physically challenged. It notes facilities with special accommodations for disabilities.

◆ [News](#). Read our latest news or sign up to have it emailed to you.

Here you will find information targeted to specific audiences.
