Dear Scout Leaders,

Summer is right around the corner and there are a few key things we can do now to make sure our 2013 Scouting season kicks off with a bang next fall.

The Frontier District has begun our **semi-annual unit membership inventory** process. Our purpose is to help find those lost Scouts who we missed during the re-charter process, bridged over to Boy Scouts or recently joined your unit during spring recruiting. As summer activities and camps begin it is important to make sure each Scout is properly registered and covered by insurance which is provided by the Denver Area Council.

To assist in the process please send any completed youth applications and payments along with a current roster of your Scouts. The roster should include name, date of birth, address, phone and parent's name. Please submit your roster **by May 15th** to frontier@denverboyscouts.org, fax to 303-455-4689 Attn: Frontier, or mail to Frontier District, C/O Denver Area Council, 10455 W 6th Ave, Suite 100, Denver, CO 80215.

Frontier District Day Camp is set for July 10 - 12, 2011 at Cook Park. There is still time to sign up your Cub Scouts to attend or Boy Scouts & Venturers to assist as youth leaders.

Does your unit have a budget plan? **Popcorn** is the ideal way to fund your Scouting year. Be sure to visit www.denverboyscouts.org and submit your units contact information to be included in upcoming popcorn emails. Popcorn kick-off is set for July 31. Be sure to ask about the online popcorn sale; this is a great way for your unit to earn additional funds by contacting friends and family across the country to support your Scout without having to physically collect money or deliver popcorn.

Be sure to watch the district website, www.frontierdistrict.org, for details about **Merit Badge College**, November 23rd. Also, you can sign up for district e-list and find the latest information from the district.

Be on the lookout for information about our **Fall Recruiting** plans. We encourage all Packs, Troops, and Crews to actively recruit new Scouts. This summer we will ask each unit to set a recruiting goal for new Scouts so we can work together as a district to make sure all youth have the opportunity to be a Scout.

Thank You,
